**Explanation of Responses:**

- The price in Column 4 is a weighted average price. The prices actually paid ranged from \$0.2015 to \$0.2090. The reporting person has provided to the issuer, and will provide to any security holder of the issuer, or the SEC staff, upon request, information regarding the number of shares purchased at each price within the range for all transactions reported in this Form 4 utilizing a weighted average price.
- The shares covered by the option are now vested and exercisable until August 16, 2018 due to the separation of the reporting person as an employee of the issuer and his new status as a director.
